

Digital and Broadcast Rights for LVN Programs

The following rights are included with the purchase price:

1. Public performance rights
2. In-Room Use to a limited number of non-paying viewers where all viewers, monitors, and playback units are in the same room (“In-Room Use”).
3. The right to produce one duplicate copy of each complete Program solely for archival purposes.
4. The right to circulate the complete Program(s) according to customary circulation procedures to library staff and/or patrons for individual viewing.

The following rights are not included and require payment of an additional fee:

Digitization rights.

1. On-line learning or instruction: subject to the availability of rights and upon prior approval of LVN and upon payment of an additional annual fee of 200% of the list price per Program(s) to LVN, Customer has the right to use Program(s) in a On-Line Learning program, provided user is an accredited educational institution and users are limited to students and instructors of said institution.
2. Corporate or government Intranets: subject to the availability of rights and upon prior approval of LVN and upon payment of an additional annual fee to LVN, Customer has the right to digitize Program(s) and place the Program(s) on a corporate, educational, or library Intranet. The annual fee is based upon the maximum number of users of said Intranet:
 - 0 – 500 maximum users: 200% of the list price annually.
 - 501- 1,000 maximum users: 300% of the list price annually
 - 1,001 – and upwards maximum users: 500% of the list price annually
3. Corporate, government, or educational Internet: said rights are not available.
4. Customer is entirely responsible for digitization of program and all technical aspects of digitization and hosting. LVN can not provide technical support in this area.

Limited Closed Circuit Television (LCCTV)

Subject to the availability of rights and upon prior approval by LVN and upon payment of an additional annual fee of 200% of the list price per Program to LVN, Customer has the right to transmit or exhibit the Program(s) over Limited Instructional Fixed Service (“LITFS) and Limited Closed Circuit Television (“LCCTV”), provided such transmissions are limited to: i) a single school district; ii) a single municipal library system; iii) a single college or university library system on a single physical campus; or iv) library or information centers within a single industrial, health care or similar facility.

Basic Cable

Subject to the availability of rights and upon prior approval of LVN and upon payment of an additional annual fee of 200% of the list price per Program to LVN, Customer has the right to transmit or exhibit the Program(s) over Basic Cable ("BC").
